

2023 REMINDERS

Don't Forget...

*HANG UP COSTUMES - remove wrinkles (no underwear under tights if it will show in costume) *CHECK THAT YOUR DANCER HAS ALL OF THEIR SHOES, TIGHTS, & ACCESSORIES PACKED.

- brush, makeup, bobby pins, safety pins, dance bag, snacks, water, hairspray, etc.

Dressing Rooms:

- ALL Advanced & Intermediate classes will be in the band room.
- ALL Mini/Beginner/Creative classes will be in the Science Room, which is right next to the Band Room. There is another room across from band that may be used as a BOY dressing room (there are also large restrooms if you would prefer).
- The hallway behind stage left will be used as the "Quick Change" area.
- I will have all of these labeled, as well as signs that direct dancers backstage.
- We will have staff and older dancers/assistants that will be able to direct you to all these areas. For those that have previously danced with us, this should all be very familiar. :)
- Feel free to leave all of your belongings (costume, dance bag, etc.) over night at the high school in your assigned dressing room. Take belongings to your dressing room immediately upon arrival to the high school on Friday.
- **If you have children in different levels, they are obviously more than welcome to use the same dressing room.

DRESS REHEARSAL:

- Arrive at the high school between 4:30-4:45pm. We completely understand that several of you will be hurrying to get to the high school and do not expect hair and makeup to be perfect on Friday. Please just do your best with some mascara, lipstick and hair pulled back!
- All onstage by 5:00 for a group photos and End of the Year Awards
- Rehearsal from 5:30-7:30. (It may run later if needed)
- Dancers need to bring ALL COSTUMES to dress rehearsal. The purpose of this run-thru is to make sure that everything goes smoothly. We need to make sure that costume changes work with our schedule/program.
- No parents will be allowed backstage.
- As soon as your dancer is finished with their last routine, you are free to leave.
- Students are allowed to sit in the audience to watch but will be sitting with their Class Mom and rest of the class so that everyone is accounted for. They will go backstage 5 routines before theirs. (Creative Dancers and Minis may have parents sit with them in their section).

RECITAL:

- Full hair and makeup. Hair needs to be secured (hairspray wispies/strays, please).
- 1:00pm Show (Arrive at 12:00pm).
- 5:30pm Show. (Arrive at 4:30pm).
- Curtain Call after each recital to end the show! Please send dancers backstage when there are only 3 routines left. Staff will line them up in the hallway.
- Students are not allowed to sit in the audience to watch until all their routines are complete. The only exception to this is if your dancer does not tumble and is later in the program. They will have to go backstage 5 routines before theirs.

PROGRAM:

- I'm working on getting the program finished. I plan on sending it out next week (Still deciding which competition routines will participate).

WEBSITE:

- All of this info has been added to our website. You always have super easy access to it whenever needed.

THANK YOU! Truly can't believe that the recital is almost here!! Hope your kiddos are as excited as we are.

Best,
- Tympest
